Creative Multimedia Professional with extensive experience in brand systems, motion design, video production, and visual storytelling. Combines creative direction with hands-on design and production across print, digital, environmental, and motion platforms.

Professional Experience

Aug 2025 - July 2026

■ Camera Operator and Production Assistant at News Channel Nebraska

Support field and production crews with setup and live-production workflows.

Fall 2025

■ Studio Production Assistant at UNO TV

Fall 2025

■ Adjunct Professor at University of Nebraska at Omaha School of Communications

Designed and taught a video field production course focused on real-world workflows, guiding students in camera operation, cinematography, mise-en-scène, sound, lighting, editing, and interview techniques.

Spring 2025

■ Motion Designer at Jacht Agency

2023 - 2025

■ Graduate Teaching Assistant at University of Nebraska – Lincoln College of Journalism and Mass Communication

Taught undergraduate visual communication courses covering typography, layout design, photography, videography, and web design; led video-editing workshops through the COJMC Experience Lab.

2014 - Present

■ Independent Creative Director & Designer

Branding, visual identity, motion graphics, digital campaigns, and creative direction for commercial and nonprofit clients.

2014 - 2022

■ Art Director and PR Manager at RAMPCO Group

Led RAMPCO Group's visual brand identity across digital, print, social, web, events, publications, and video. Developed brand guidelines and created visual identities for subsidiary companies, ensuring consistency across all communications.

Education

2023 - 2025

■ Integrated Media Communications (M.A.) University of Nebraska - Lincoln

2019 - 2021

■ Media Management University of Tehran

2010 - 2015
